Reza Merzaie
FULL-STACK WEB DEVELOPER
ghrezam97@gmail.com | GitHub | LinkedIn | Portfolio

SUMMARY
Aspiring software engineer with a passion for full-stack development. Proven ability to learn new technologies quickly, solve problems creatively, work remotely, and deliver high-quality code.

SKILLS

Front-end: JavaScript, React, Redux, NextJS, TailwindCSS
Back-end: Ruby on Rails, ExpressJS (Beginner), PostgreSQL
Tools & Methods: Git, GitHub, Mobile/Responsive Development
Professional: Remote Pair-Programming, Teamwork, Mentoring

EXPERIENCE

Modern Boost Technology   On-site
Full-stack: Jan, 2024 - Present
- Developing large-scale enterprise applications
- Proactively identifying and resolving issues in the existing codebase to improve overall system stability.

MICROVERSE   Remote
Mentor (Volunteer)   May, 2023 – Jan, 2024
- Coach junior web developers and provide technical guidance through code reviews

HIGHLIGHTED PERSONAL PROJECTS   Remote
Full Stack Web Development Student   Apr, 2023 – Present

Mastered intermediate and advanced topics in full-stack development (including React, Redux, Ruby on Rails, Git, and DS&A challenges) while building multiple full-stack projects both independently and via pair-programming
Space Travelers' Hub — A web app that simulates joining SpaceX space missions
- Built with: (React, JavaScript)
Reserve Car — A full-stack web app (React, Ruby on Rails)

EDUCATION

MICROVERSE   Apr, 2023 – Present
Remote Full Stack Web Development Program, Full Time
- Developing a strong understanding of core computer science concepts and the ability to learn new technologies quickly, including front-end stacks like bootstrap JavaScript and React
- Gaining experience in remote pair-programming and collaboration with international developers

KABUL UNIVERSITY
B.S, Software Engineering   Sep, 2020 – Present
- Bachelor of Computer Science in Software Engineering
- Courseworks: DS&A, OOP, Software Engineering, Database Management Systems, OS

AWARDS AND HONORS
- 1st place finish in the ICPC Asia West Kabul Regional Contest 2023, with my team.
